To the Parent/ Guardian of

Thank you for supporting your child in volunteering for this very important job as an Altar Server. Being an Altar Server is a great honor – and a responsibility.

Servers are responsible for:

- a) knowing when they are scheduled to serve, and
- b) finding their own substitute if they cannot attend that Mass. (MSP scheduling web service makes this easy.)

An email will notify you when the schedule is updated on MSP. The schedule is in Church Bulletin (1 week look ahead) & at

<https://secure.rotundasoftware.com/l/web-terminal/login/stbasil1965>

After your child attends the training sessions, he/she will most likely still feel unsure about the job – that’s OK. I will schedule your child with experienced servers for several weeks. Also, have your child review the Server Manual before serving, as a quick refresher. The, “St. Basil Altar Server Manual.” Is posted at <http://www.stbasils.org/ministries/altar-servers>

Love cannot remain by itself -- it has no meaning.

Love has to be put into action, and that action is service.
